

# Catch-Up Premium Plan

## North Marston C E School

Summary information					
School	North Marston C E School				
Academic Year	2020-21	Total Catch-Up Premium	£7840	Number of pupils	98

**Guidance**

Children and young people across the country have experienced unprecedented disruption to their education as a result of coronavirus (COVID-19). Those from the most vulnerable and disadvantaged backgrounds will be among those hardest hit. The aggregate impact of lost time in education will be substantial, and the scale of our response must match the scale of the challenge.

Schools' allocations will be calculated on a per pupil basis, providing each mainstream school with a total of £80 for each pupil in years reception through to 11.

As the catch-up premium has been designed to mitigate the effects of the unique disruption caused by coronavirus (COVID-19), the grant will only be available for the 2020 to 2021 academic year. It will not be added to schools' baselines in calculating future years' funding allocations.

Use of Funds	EEF Recommendations
<p>Schools should use this funding for specific activities to support their pupils to catch up for lost teaching over the previous months, in line with the guidance on <a href="#">curriculum expectations for the next academic year</a>.</p> <p>Schools have the flexibility to spend their funding in the best way for their cohort and circumstances.</p> <p>To support schools to make the best use of this funding, the Education Endowment Foundation (EEF) has published a <a href="#">coronavirus (COVID-19) support guide for schools</a> with evidence-based approaches to catch up for all students. Schools should use this document to help them direct their additional funding in the most effective way.</p>	<p>The EEF advises the following:</p> <p>Teaching and whole school strategies</p> <ul style="list-style-type: none"> <li>➤ Supporting great teaching</li> <li>➤ Pupil assessment and feedback</li> <li>➤ Transition support</li> </ul> <p>Targeted approaches</p> <ul style="list-style-type: none"> <li>➤ One to one and small group tuition</li> <li>➤ Intervention programmes</li> <li>➤ Extended school time</li> </ul> <p>Wider strategies</p> <ul style="list-style-type: none"> <li>➤ Supporting parent and carers</li> <li>➤ Access to technology</li> </ul>

## Identified impact of lockdown

<b>Maths</b>	Specific content has been missed, leading to gaps in learning and stalled sequencing of journeys. Children still have an appetite for maths and lockdown has not affected their attitudes however they are quite simply, 'behind'. Recall of basic skills has suffered – children are not able to recall addition facts, times tables and have forgotten once taught calculation strategies. This is reflected in arithmetic assessments.
<b>Writing</b>	Children haven't necessarily missed 'units' of learning in the same way as Maths, however they have lost essential practising of writing skills. Gaps specific knowledge has suffered, leading to lack of fluency in writing. Those who have maintained writing throughout lockdown are less affected, however those who evidently didn't write much have had to work additionally hard on writing stamina and improving their motivation due to the lack of fluency in their ability to write.
<b>Reading</b>	Children accessed reading during lockdown more than any other subject. This is something that was more accessible for families and required less teacher input. However, children are less fluent in their reading and the gap between those children that read widely and those children who don't is now increasingly wide.
<b>Non-core</b>	There are now significant gaps in knowledge – whole units of work have not been taught meaning that children are less able to access pre-requisite knowledge when learning something new and they are less likely to make connections between concepts and themes throughout the curriculum. Children have also missed out on the curriculum experiences e.g. trips, visitors and powerful curriculum moments.

**Planned expenditure** - The headings below are grouped into the categories outlined in the Education Endowment Foundation's coronavirus support guide for schools)

**i. Teaching and whole-school strategies**

Desired outcome	Chosen approach and anticipated cost	Impact (once reviewed)	Staff lead	Review date?
<p><u>Supporting great teaching:</u></p> <p>The foundation subjects will be planned carefully and consideration for how pre-requisite knowledge will be taught alongside new learning so that knowledge gaps can be reduced.</p> <p>Despite the limitations placed on schools in terms of use of physical resources and the sharing of them, some additional resources and stock needs to be purchased.</p>	<p><b><i>Ensure that time for teachers to research and plan all subjects. Release time and additional cover from headteacher, will be required to facilitate the additional PPA.</i></b></p> <p><b><i>(£1000)</i></b></p> <p><b><i>Purchase additional resources/consumables.</i></b></p> <p><b><i>(£500)</i></b></p>		<p>LK</p> <p>CG</p>	<p>Feb 21</p> <p>Feb 21</p>
<p><u>Teaching assessment and feedback</u></p> <p>Teachers have a very clear understanding of what gaps in learning remain and use this to inform planning and future provision, giving a greater degree in confidence and accuracy of assessments.</p>	<p><b><i>Complete baseline assessments and then termly assessments to highlight gap using agreed systems and schemes.</i></b></p> <p><b><i>(£500)</i></b></p>		<p>LK</p>	<p>July 21</p>
<b>Total budgeted cost</b>				<b>£2000</b>

ii. Targeted approaches				
Desired outcome	Chosen action/approach	Impact (once reviewed)	Staff lead	Review date?
<u>1-to-1 and small group tuition</u>  Identified children will have significantly increased rates of reading fluency. They will be able to comprehend reading better as a result of being able to read at pace without spending their working memory decoding. They will be confident readers and dips in reading attainment will be negated.	<i><b>A reading scheme will be purchased with support materials to develop fluency and interest for pupils in KS2 initially</b></i> (£500) <i><b>Allocation of TA support to work with pupils</b></i> (£250)  <b>Allocation of teacher time to support pupils (£500)</b>		CG  LK  LK	Feb 21   Feb 21
<u>Intervention programme</u>  An appropriate numeracy intervention, supports those identified children in reinforcing their understanding of basic maths skills and application of number.	<i><b>An intervention is identified and purchased. CGP (£50)</b></i>  <i><b>Allocation of teacher to support intervention (£500)</b></i>  <i><b>Numicon and dyscalculia resources purchased (£500)</b></i>  <i><b>Allocation of TA time to support intervention (£500)</b></i>		LK  LK  CG	July 21
<u>Extended school time</u>  Identified children in year 2 are able to access a weekly catch-up club (1 lunchtime ). The attainment of those identified children improves and effect of lockdown is becoming negated.	<i><b>Allocation of teacher time to work with pupils (£500)</b></i>		ET	Ongoing
<b>Total budgeted cost</b>				<b>£3300</b>

### iii. Wider Strategies

Desired outcome	Chosen action/approach	Impact (once reviewed)	Staff lead	Review date?
<p><u>Supporting parents and carers</u></p> <p>Children will have greater opportunities to access learning at home. Home-learning opportunities will not always require parents to engage with the activities, affording the children greater independence and increasing the likelihood that parents can sustain home-learning.</p> <p>Children have resources to use at home to help catch up in specific areas without the need to access online resources.</p>	<p><i><b>Additional online learning resources will be purchased, such as Mathletics to support children with online maths to develop and practice maths learning but also allows bespoke learning programmes to be allocated to meet specific pupils' needs</b></i></p> <p style="text-align: right;"><i><b>(£600)</b></i></p> <p><i><b>Additional learning resource books to help parents to support learning at home, from CGP scheme.</b></i></p> <p style="text-align: right;"><i><b>(£100)</b></i></p>		<p>ET/LK</p> <p>LK/CG</p>	<p>Feb 21</p> <p>Feb 21</p>
				<b>£700</b>
<b>Total budgeted cost</b>				<b>£6000</b>
		<b>Cost paid through Covid Catch-Up</b>		<b>£6000</b>
		<b>Remainder funding to be allocated</b>		<b>£1800</b>
