Challenging each other to love learning and truly care.

I think I'm just in time to still get away with saying 'Happy New Year' to anyone who I haven't seen yet! I hope your year has got off to as positive a start as ours has in school – the children (and adults) got straight back into their learning and they are well into their Spring Term topics.

I have updated the calendar with the Spring Term dates so please take some time to look at what's coming up and ask the office to print a copy if you'd like one to stick on the fridge!

Sarah x

Staffing

We are delighted to welcome Emma Tebbutt back to school. The staff and children are so pleased to have her back and Emma is thrilled to finally be able to return to doing what she loves.

Unfortunately, Georgia Simms will be off for 2 weeks from Monday 27th January due to a minor operation. During this time, Opal class will be covered by Emma Tebbutt and Tom Onan-Read so they will be in good hands. We wish Georgia all the best for a speedy recovery.

Finally, I am pleased to inform you that Esther Marsland will be returning from maternity leave in March.

Parent Engagement

It has been lovely to have so many parents join us already for our Friday celebration assemblies at the new time of 9am. A couple of parents have commented that the new time is much more convenient so I do hope that it is helpful to the majority.

We are delighted to have some more dates for our 'Reading with Rubies' sessions this term as well as our half-termly Learning Showcase and some upcoming Parent Information Sessions.

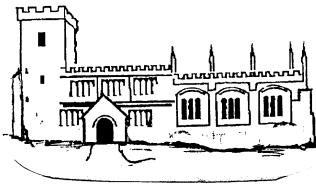

Heating

Thank you to you all once again for working with us to keep the children in school on Monday despite having no heating – a lesson in resilience for us all. I did consider doing an emergency closure but that will always be a very last resort as I am a firm believer in the importance of routine and promoting the philosophy that 'every second counts' when it comes to the children's education. However, I will always put their well-being first and foremost and so each situation will be considered on the information available.

I would also like to thank the staff for their stoicism, we certainly felt the cold far more keenly than the children!

Rotary Club – santa float

Thank you to all the parents and carers who supported with this event. We have been informed by the Rotary Club that they have a cheque for us totalling just over £1000 which I will be honoured to receive on behalf of the school next week. This money will go towards a new reading shed for the playground as, through our school council process, the children requested access to reading materials during break and lunch time. We would like to thank the Rotary Club and specifically Colin, Roy, Pete, Paul and Don for the roles they played in this wonderful event.

Parking

I have had another ‘not-quite-complaint’ from a local resident regarding parents parking inconsiderately while dropping and collecting their children. I appreciate that it may be necessary to drive up the hill on occasion but, if you need to leave your car parked to come into school, even for a short time, please ensure it is not blocking the road or any driveways. The school is an integral part of this community and it is vital we model respectful behaviour in our everyday interactions and this includes being considerate to others.

PTA updates

The PTA have a full programme of events planned for the rest of the year and would love to have your continued support. Please check out the calendar for details of Friday treats and the ever-popular school disco and watch this space for some very exciting events in the summer term, including one which I’m dreading but the children will love!

Clubs

Cookery club has already started this term and most of our other clubs start next Monday, 20th January with the exception of Basketball Bonanza which starts on 3rd February. We are delighted to inform you that we were able to accommodate all the children in all the clubs they requested. We still have spaces available in some clubs, unfortunately not in Crafty Club or Basketball. If you haven’t booked in for any yet, or if you’d like to add an extra, please email or call the office and Katie will tell you what’s still available.

A register will be taken at all clubs so if your child is unable to attend for any reason then please let the office know.
