Challenging each other to love learning and truly care.

The term is whizzing by and the children are well under way with their new topics. I seem to have had a constant stream of children coming to visit me with fabulous work, which is evidence of the good learning that is happening in the classroom. I know the children are looking forward to sharing their learning with you in our Learning Showcase, which will be happening before half term. As usual, please keep an eye on the calendar at the bottom of the newsletter or check the one on the website so that you don't miss any of our exciting events.

Have a great weekend,
Sarah x

Staffing

Georgia's operation went well and she is at home recovering. She is missing the children and can't wait to be back with them as soon as she is able to. Thank you to those who have shared well-wishes, I have passed those on to Georgia. In the meantime, Opal class are enjoying continuing their learning under the care of Tom and Emma and I thank them for stepping in to offer cover for the class.

Learning Showcase

You are all warmly invited to join us on the morning of Wednesday 12th February for an opportunity to share in the children's learning. I know each class is planning something special so it really is an event not to be missed.

PTA

Thank you to all who supported the hot chocolate and donut event – I hear I missed out on some delicious treats!

The PTA are busy preparing for the much anticipated Spring Disco on Thursday 13th February so look out for details coming your way very soon.

Greet your child with a smile, not a screen!

A reminder to all parents and carers to not use your mobile phones on the school playground. Please keep them in a bag or pocket while collecting your child. If you need to take a call or send a message, please complete this before entering the playground. This is part of our safeguarding process to help keep all of our children safe and I thank you for your support with this.

Walking Home

It has been brought to my attention that children have been seen on the walk home from school running down School Hill and not observing appropriate road safety measures. We will be addressing road safety with the children in school and I would ask that you discuss this with your children at home too. We are very lucky to enjoy relatively quiet roads in North Marston but we must remain alert to the potential dangers and ensure our children give due care when they are walking around the village.

I have also had complaints about NM children playing 'knock and run' on the local houses which is anti-social behaviour. If your child walks home alone then please discuss expectations of their behaviour. Children identified as behaving in a way which is below expectation will have the privilege of being a 'walker' removed and will need to be collected so that they can be appropriately supervised.

MHST

Please find attached to the Newsletter a flyer from the Mental Health Support Team. They are running a webinar for parents of primary school children on 3rd April about supporting your child to deal with change and transition. This is perfectly timed just before we go into the summer term when we start to prepare the children for the transition to their next class/year group/ school in September. If you are interested then please scan the QR code on the flyer.

There are also lots of resources for parents and carers on the MHST website to support you to help your child if they are experiencing any difficulties and we also have access to the team who could offer further support if necessary so please do come and speak to us if you think this might help.
