Challenging each other to love learning and truly care.

It feels like this half term has passed in a heartbeat! However, seeing all the work that has been done shows that we've definitely had 6 weeks of full on learning!

As we are now half way through the school year, I have added the term dates for the next academic year to assist those of you who like to plan things in advance. I would ask you to check these dates carefully when booking holidays, taking advantage of INSET days and avoiding term time holidays as these have a negative impact on the whole class.

I always love February Half Term because when we return, sunset will be after 5:30pm, which means the days are getting longer and we will,

hopefully, soon see all the signs that spring is on its way. I hope you have a relaxing break and I look forward to seeing you all back on Monday 24th February at 8:40am.

Sarah x

Learning Showcase

It was wonderful to see so many of you at this event on Wednesday.

The children in **Ruby** class showcased the clapping games they have learnt and were able to teach some to their adults. It was fabulous to see them all having so much fun playing traditional playground games.

Opal class went on a scavenger hunt around the hall, answering questions that showed how much they have learnt in geography this term – luckily the children were able to help the adults with the tricky ones!

Diamonds invited their adults to join them for an early picnic lunch when they shared the sandwiches they had designed. They had made their own bread and I'm told they were delicious!

Thankfully, all of **Sapphire** managed to get out of the escape room, using the knowledge they have accumulated in several curriculum areas this term.

World Book Day

To continue to promote a love of reading, we will be celebrating World Book Day on Thursday 6th March.

Children are invited to dress up as a character from their favourite book if they would like to and we encourage them to bring the book with them to share with their friends (please label any books brought into school).

During the day, the children will take part in different book-inspired activities and we would love you to join us from 2:30pm so they can share with you what they have been doing.

PTA

The school disco was a resounding success last night so thank you to all the staff and volunteers who made this event possible. The children loved it and have already been asking when the next one will be, so watch this space for information about upcoming PTA events.

We would like to take this opportunity to thank Ashleigh Skinner for her time as PTA treasurer. As Ashleigh has stepped down from this post, Hannah and Matthew Goss have kindly agreed to fill this post until September.

Young Voices

A massive thank you to all the staff who made this fabulous event possible. The feedback from the children and from parents has all been positive and I really do appreciate the parents who have gone out of their way to express their gratitude. Special thanks must go to Rachel Wilson who worked tirelessly to ensure every detail was planned and thought through, making the event such a positive memory for everyone involved. Remember that we are doing our own mini-concert in school on Friday 28th February at 2pm in the school hall and you are all warmly invited to join us.

I have already had children asking if they can be involved next year and the list of potential staff volunteers is growing every day so look out for details of how to sign up in the summer term and we can take an even bigger North Marston contingent to Young Voices 2026.

School Vision and Values

We have carried out a review of the School's vision statement and the values that sit behind this which should be the driver for everything we do as a school. Having consulted with the diocese, staff and children, I am now seeking feedback from parents and carers on the proposed changes.

After careful consideration of what we want for the children of North Marston C of E School, the suggested values are:

Resilience; Respect; Responsibility; Community; Integrity; Gratitude; Creativity; Kindness; Courage; Honesty; Independence; Determination; Equality; Co-operation; Collaboration; Generosity.

The suggested bible links are:

Noah's Ark; The Good Shepherd; The Good Samaritan; Let your light shine!

Please email the office by **Friday 28th February**, using 'Values' as the subject line to give your feedback on this.
