Challenging each other to love learning and truly care.

04.02.22

Dear Parent/Guardian,

Birthdays:

"Happy Birthday" to Lochryn in Y1 and Haidar in YR who have celebrated their birthdays this week.

Certificates:

Certificates have been awarded this week to:

Year R-Harry and Alby both for seeking clarity in their learning. They have shown great enthusiasm that has inspired others during YR's Dinosaur week.

Year 1-Sienna for showing such perseverance with her writing this week. She has really focussed and produced some independent, carefully thought through, pieces of work.

Year 2- Ava B for working very hard in English this week. She has shown a great level of creativity in planning her own version of a story, and actively sought clarity in her spellings when writing.

Year 3- Michael for clarity in his science work. He thought carefully about what he was going to measure and how to do it.

Year 4-Cara for demonstrating connectedness in maths. She applied methods from previous lessons to help solve division problems of increasing difficulty.

Year 5-Liberty for showing courage in her learning this week by acknowledging where she was unsure and asking for help

Year 6-Tom for showing creativity in his home learning tasks. Tom did not just design a toy which used gears, levers and pulleys, he also made it to demonstrate his design.

Phonics meeting for parents:

We have implemented a phonics programme called Little Wandle across the school this term, which is an adaptation to the Letters and Sounds scheme which we used previously. Mrs Kent will be holding a meeting for parents on **Monday 7th March at 6.30pm** to explain how the scheme will be used in school and how you can continue to support your child at home. **Please note this is a change of date from that previously advertised.**

STEM: Visiting Speakers

We are keen to raise the profile of STEM careers, in particular Computing. Children thoroughly enjoy their lessons but can sometimes find it difficult to link these skills to the outside world. Do you or any of your family members or friends work within STEM industries, in particular IT? If so, are you willing to come and talk to the children about your experiences and career path? It could be anything from a ten-minute talk to a thirty-minute discussion. If you are willing to help in anyway, please contact the office in the first instance.

INSET day

Our final inset day for staff training this year has been set for **Friday 18th February**. Therefore, the last day for the children this half term will be **Thursday 17th February**.

School Website

Our new school website has now been up and running for a couple of weeks. Hopefully you have had a chance to have a look: www.northmarstonceschool.co.uk.

We would be grateful for any feedback so that we can ensure that it is helpful, user friendly and informative.

Easy Fundraising

Please remember that if you are ordering online many companies will donate a percentage of the cost to our school if you go through Easyfundraising. It is at no cost to you but benefits the school. Go to www.easyfundraising.org.uk and register to donate to North Marston C E School

Amazon wish list

We have added a few more items to the wish list on Amazon of books and resources which we are in need of. Should you wish to, you can purchase some resources for the school. We would be really grateful for any help you feel you could give. Please use the link <https://amzn.eu/d1VeZef>
The PTA is registered on Amazon Smile, so we can raise money with any items you buy on Amazon.
A big thank you for the items which we have already received.

Food allergies

Please be mindful that we have children in school with nut and other food allergies.

We ask that you do not put items with nuts or nut products such as peanut butter or nutella into lunchboxes.

Any break time snack which KS2 children bring must be fresh fruit or vegetables.
